The wise rule their own fate and use knowledge to navigate through life's challenges. Rev. Russo doesn't "pull punches" or "sugar-coat the truth" - he tells it how it is. His natural gift of empathy lets him truly connect to his clients to provide caring, honest, and intuitive solutions and he conveys the knowledge in a positive manner. Vinnie uses his psychic and clairvoyant skills to get to the heart of the matter: love & relationships, success & career, couples' issues, and more. He works with clients to help them achieve their goals by discovering the potentials awaiting them. Using his clairvoyant skills and psychic abilities, Reverend Russo can help clients maximize their strengths and minimize their weaknesses.
